Dear Thirstystone Business Associate,

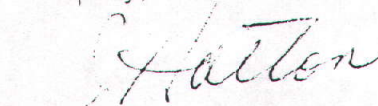

We're excited to announce that "**Thirstystone Resources, Inc.**" is our new name!

We've changed our name from "Desert Sandscapes" to better leverage the strength of the "Thirstystone" name and give our company a more national image. Our new name will provide an umbrella for future acquisitions and product lines.

The transition has begun... the Thirstystone Resources name will begin to appear on all correspondence, press releases, etc. If you require any other documentation regarding our name change, please contact us immediately and we will be happy to provide it. Please address all future inquiries to "Thirstystone Resources, Inc."

We look forward to continuing our business relationship.

Sincerely,

John Halton
